

# MEMO

**To:** Maya Kara  
**From:** Bernard Zimmerman  
**Subject:** Gambling Proposals  
**Date:** June 9, 1995

I have asked Mona Manglona to begin working on the Committee report on the gambling proposals. Specifically, I have asked her to gather material on past hearings conducted by the Legislature on this issue, on past referenda on Rota in which, I understand, the vote was against gambling, and the experience on Saipan some years ago with slot machines. If you know where any of these materials can be found, especially the legislative hearings, please let Mona know as soon as possible.
