

Third Northern Mariana Islands Constitutional Convention

Delegate Proposal No. 425

Date: June 16, 1995

It is proposed that a constitutional amendment be prepared that does the following:

Increases the number of directors of the Marianas Public Land Trust from 3 to 5. The directors are all appointed by the Governor and confirmed by the Senate.

Provides that funds received from public land leases, including interest earned from investments, may be subjected to appropriation only for:

- (1) medical referrals
- (2) scholarships
- (3) affordable housing
- (4) Memorial Park improvement and maintenance
- (5) operations of the Division of Public Lands...
