The Honorable Froilan C. Tenorio
Governor of the Northern Mariana Islands
Caller Box 10007
Saipan, MP 96950

Dear Governor Tenorio:

In my letter of June 20, I have informed you regarding public hearings scheduled by the Committee on Executive Branch and Local Government for next Tuesday, June 27, 1995. Various issues relating to Article III (Executive Branch) will be aired on that occasion, including questions pertaining to the Office of the Attorney General. It is for that reason that I am writing this letter.

We are aware from public reports that your Administration retained an outside law firm from Oregon to evaluate the Office of the Attorney General in the Commonwealth of the Northern Mariana and that such a report was submitted to you.

The Committee on Executive Branch and Local Government has asked me to request for a copy of the law firm report relating to the Office of the Attorney General. We believe that our deliberations regarding this important office, looking for ways to strengthen it, would be greatly aided if we had the benefit of such a report. Please let me know if delivery of the report can be made before the public hearings next week.

Thank you for your continued support of this Convention.

Sincerely,

A handwritten signature in cursive script that reads "Herman T. Guerrero".
