**TESTIMONY**

Dear Delegates,

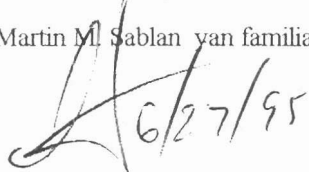

Good evening to you all, I am here in front of you on behalf of myself and my family. It has come to my personal attention that I have to be here in regards to ARTICLE XII. I am deeply concerned of my family's future and the future of all CNMI descents.

The CNMI's future depends greatly on you all, my dear delegates. Our land shall be preserved and shall be protected indefinitely!!

In closing my short testimony, I would like to say that I strongly believe that ARTICLE XII was established to protect our land here in the CNMI for our people, and to all future generations.

Potfábot Protehe I tano' I NATIBU, Si yu'us ma'ase para todos ham'yo!
