PRELIMINARY ANNOUNCEMENTS

We have a very full schedule today. We will be considering three important articles. We will take a break for lunch at 12:30 if we cannot finish by then and continue in the afternoon.

REPORT OF COMMITTEE ON ORGANIZATION AND PROCEDURES

Our schedule next week will have plenary sessions each weekday at 1:30 p.m. to consider articles on second reading. This will provide time for the committees to meet in the mornings and prepare their reports to the Convention regarding the articles coming up for consideration.

We will decide later in the week about the time for the Saturday plenary session, but it will probably be in the morning.
