Dear Ted:

We received your letter dated July 23, 1995 in which you recounted an informal conversation held during a recess of the plenary session on July 22, 1995.

Your account is not accurate.

The Committee on Land and Personal Rights has asked that I continue to work with all of the interested lawyers as I put together the Committee's report. I will be in touch with you to schedule further meetings. In the meantime, I would appreciate any suggestions you have as to the language used to express the changes that the Convention has approved or as to the analysis of the Constitution which will contain the legislative history of these sections.

Sincerely,

A handwritten signature in cursive script that reads "Deanne".
