DELEGATE JOSE R. LIFOIFOI
Chairman, Committee On Land
and Natural Resources
Third Northern Mariana Islands
Constitutional Convention
Capitol Hill, Saipan

Honorable Chairman Lifoifoi:

I received Mr. Herman T. Guerrero's letter dated July 19, requesting my comments regarding Concon Report Number 4: Article XIII, Eminent Domain. For all intents and purposes, the present language contained in the existing Constitution be retained as is. There is no need to change it any further as I believe it is adequate. My comment is the same as the Committee's recommendation to not change anything.

Sincerely,

J. S. TORRES
Chairman, MPLT Board of Trustees
