Re: Request for Assistance to Distribute Important Con Con Materials

Thank you for your assistance with the Con Con's Outreach program. As you know from your conversation with Mona Manglona, the Con Con has enclosed some important materials regarding Committee Reports and corresponding changes to the various articles of the CNMI Constitution. The process is moving quite swiftly and the success of our efforts to get the information to affected offices and concerned citizens is largely dependent on your help. We are deeply appreciative of the assistance that you have agreed to provide us.

Enclosed you will find certain reports addressed to your attention and certain reports to the attention of certain officials and concerned citizens of Rota. As Mona explained, our efforts to get these other reports and amendments to the appropriate person will depend on your office's help in contacting them for pickup at your office. Thank you for assisting with this request.

Because we intend to include confirmation of receipt in the Con Con's Daily Journal, we ask that all those accepting delivery of the enclosed reports sign received on the copy of attached cover letter. Then, please contact Mona and arrange for delivery of the signed letters to be returned to the Con Con offices.

Thank you again for your assistance. If you have any questions, please do not hesitate to contact me or Mona directly.
