Honorable Diego T. Benavente  
Speaker of the House of Representatives  
9th Northern Marianas  
Commonwealth Legislature  
Saipan, MP 96950

Dear Speaker Benavente:

Thank you very much for providing the services of Maya B. Kara to the Third Northern Marianas Constitutional Convention. Maya helped us a great deal during the past three months: drafting the Convention's rules, drafting resolutions, providing legal research, assisting our substantive committees, helping with the preparation of the daily transcripts, and other important work. Her careful legal work was appreciated by the delegates and by the Convention's officers.

We know that this was an inconvenience to you, and we want you to know that this assistance that you made available helped us stay within our budget and still have a high-quality legal team.

We completed our task within the allotted 60 days and we believe that we have produced important amendments that will be of help to the governance of our Commonwealth in the future. Thank you again for your support, which helped make this accomplishment possible.

Sincerely,

A handwritten signature in cursive script that reads "Herman Guerrero".
