Mr. Zaldy Dandan
Editor
Marianas Observer
Saipan, MP 96950

Dear Mr. Dandan:

The Third Northern Mariana Islands Constitutional Convention has proposed nineteen Articles (amendments) to the Constitution of the Northern Mariana Islands. As you are aware, residents must vote whether to approve these amendments.

If we are to assume that the elections are to be held simultaneously with the November General Elections, then there is a considerable amount of public information to be conducted.

The Post Constitutional Convention Committee (Post ConCon) has created a public information campaign which will span the months of September and October. Each week, the Committee will distribute a chart explaining two of the nineteen proposed Articles.

The Committee want to know whether the Marianas Observer is willing to donate a pre-specified space for the publishing the proposed Articles.

In addition, the Committee would like to create a weekly or biweekly column for the purpose of publishing the analysis of the proposed constitutional changes.

If you are not able to provide a specific space for either of these purposes, the Committee is interested in obtaining quotes from you on the following:

1. Printing and inserting daily/weekly "article information sheets"
2. Just inserting the already printed "article information sheets"

We are interested in finalizing these plans at your earliest convenience.

Kindly forward your proposal to Ms. Pamela Mathis at the Commonwealth Utilities Corporation (CUC) to discuss these options. Her phone number is 322-0390, 4033 or fax no. 322-4322.

Sincerely,

A handwritten signature in cursive script that reads "Herman T. Guerrero".
