Howard, congratulations on a job well done. The Third Con-Con was magnificently staffed. Kudos.

Our mutual friend Dr. Dick Wyttenbach-Santos, of the Univ. of Guam, has asked that I perform a time honored island role. He asks that I function as "go between." I am a messenger between you and Dick.

As I have it, Dick has lent you use some research materials for your book. These materials are of great value to Richard. He greatly respects the importance of your book and roots for you, like the rest of us do, to tell it like it is. But if you have finished with Dick's files, he tactfully requests return. He particularly thinks on materials showing U.S. intelligence agency involvement with Belau. If I could give Dick a report, it would be swell. I will seek Dick, on Guam, on September 5th. I understand you're out of town today; but, perhaps, you'll have time to get back to us upon your return to the Commonwealth.

You can call me at (670) 532-9451/2/3 or 532-0209 or FAX (670) 532-9554 or 532-0205.

Thank you so much, Howard. And again, most sincerely, you folks did a nice job at the Convention, in the face of many challenges. It was daunting. There are many good comments to pass on to you.

Don't be upset with us in Rota, we're rabid, but it's just business.
