

**Post Convention Committee  
Meeting Minutes  
October 24, 1995  
Second Floor, Joeten Dandan Commercial Center**

1. Call to Order -- Chair H.T. Guerrero called the meeting to order at 9:47 am.
2. Ascertain Quorum -- Quorum was ascertained with members F. Nogis, T. Aldan, VChair E. Fleming, Sec. J. Gonzales, and Chair H.T. Guerrero present. Counsels H. Willens and D. Siemers were also present.
3. Approval of 10/17/95 Minutes -- adoption of 10/17 minutes was tabled.
4. Reports
  - a. Status of Translations -- (1) the Chamorro and Carolinian translations of the Constitution have yet to be finalized and submitted to the Post Convention Committee for sanctioning and subsequent dissemination to interested parties and the NMC Archives. Apparently both Dr. Rita H. Inos and Jesus Elamcto' are off-island tending to a funeral and a stateside conference, respectively. Alice Guerrero will follow up with Dr. Inos, while Del. F. Nogis with Mr. Elameto.
  - b. Public Education -- (1) in light of the precedence set with the lack of attendants at the village meetings, the Committee decided to allow Alice Guerrero to reserve ad spaces in advance with the respective radio and television stations and process the contracts for the Chair's signature in time for January next year; (2) the schedule for village meetings and government departments will be the same with the dates changed to reflect next year.

Discussion also ensued on the need for an extremely aggressive public education campaign to overcome the potential challenges from special interest groups and opponents of the local government amendments such as from Rota. While away, Howard and Deanne will draft a masterplan for things to do from now until January or February of 1996.
5. Old Business
  - a. Loan of Billboards -- Somehow, some people within the committee will be asking either the parties, precinct clubs and/or individual candidates for the upcoming November elections to loan their billboards for use by the Post Convention Committee to put up signs urging the voters in all 3 islands to vote Yes on all the proposed amendments.

6. **New Business**

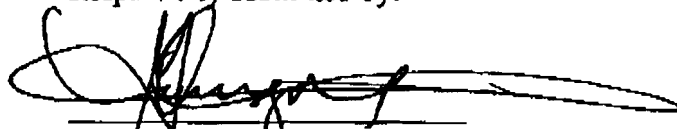

a. Resolution No. 1 by the Post Convention Committee to adopt stylistic changes to the revised Constitution containing the proposed amendments was adopted by the members present and subsequently signed for transmittal.

7. **Announcements**

a. Counsels Willens and Siemers are leaving tonight until early next year. They, however, will be in close contact with the Post Convention staff and a few of the Post Convention Committee members to keep us apprised of new plans, just as we will keep them apprised on the latest developments from now until early next year.

8. **Adjournment --** There being no further discussion, the meeting was adjourned at 10:17 am.

Respectfully submitted by:

Sec. John Oliver DLR. Gonzales  
(10/25/95)

Re: Rate Proposal for Con-Con spots.

Hafa Adai, Alice\Joe

As per our conversation last week regarding advertising rates on our two stations, It is my understanding that most if not all Con-Con spots will run :60 seconds.

The proposed cost \ rate(s) are based on our current rate card for :60's with a discount factored in reflecting a bulk buy of 100 :60 sec spots.

frequency of air play on KCNM-AM and KZMI-FM will be at your discretion, as for time's, I don't foresee any scheduling problems, If a problem should arise I will advise you as to the closes next available time(s).

When you are ready to record the spots, Just let me know at least 1 day in advance so I can have the recording studio available.

\*\*\* 100 :60 SECOND SPOTS: TOTAL COST: \$1,445.00 \*\*\*

Spots that run longer than :60 seconds i.e: 1 1/2 minute's, 2 minute's, ect. ect. will be prorated.

Any spot buy's after the initial 100 have been used, Will reflect the per unit price.

If you should have any questions or need more information please don't hesitate to contact me here at the station.

SI YU'US, MA'ASE.
