& Environmental Services
Commonwealth of the Northern Mariana
Islands
Saipan, MP 96950

Dear Mr. Abraham:

The Post Convention Committee is ready to resume its public education program on the nineteen proposed amendments adopted by the Third Northern Marianas Constitutional Convention.

The Post Convention Committee is established by law. The public education program which the Committee is committed to carry out its mandate, must explain to the people the proposed amendments so that our people are well-informed before casting their votes; therefore, the Committee has come up with a schedule of village and government employees' meetings. Enclosed is a copy of the government employees' meeting schedule and the Committee has scheduled Tuesday, February 6th for employees of the CHC. The meeting is two-fold; the first group will be from 9:00 to 11:30 a.m., and the second group will be from 2:00 to 4:30 p.m. The meetings will be held at the hospital cafeteria so that employees of the hospital do not have to leave the premise to participate in the public education program set forth by the Committee.

The Committee will appreciate your assistance and cooperation in allowing your employees to attend these important meetings. Should you require further information or have any question regarding the schedule, please do not hesitate to call our office.

Sincerely,

ESTHER S. FLEMING
Acting Chair
