Mr. Herman T. Guerrero
Chairman, Post Convention Committee
Caller Box 10007
Saipan, MP 96950

Dear Chairman Guerrero:

The voters will soon decide on the Third Con-Con proposed amendments. Little time remains for public education. We know the Post Convention Committee has put considerable resources into printed materials. Thank you for the effort. Unfortunately, we see no "for" and "against" statements. Voters will be severely handicapped without pro and con views. We need a voters pamphlet that states: (a) the law as it now exists; (b) the effect of the amendment if approved; (c) statement for; and (d) statement against.

A strong voters' pamphlet is essential, but it cannot carry the entire weight of the educational burden. Given the great number of amendments and their complexity, the voters will be lost without public meetings and oral explanation. For this reason, we respectfully request that the Post Convention Committee hold at least two public, educational meetings in Rota. If you wish, our office will assist with arrangements. Will you be able to accommodate us? Thank you for your consideration.

Sincerely,

JOSEPH S. INOS
