Mr. Ferdie Cenon
President

Mail X 73, P. O. Box 10,005 CK
Saipan, MP 96950

Dear Mr. Cenon:

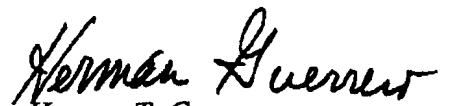

The Post Convention Committee of the Third Northern Mariana Islands Constitutional Convention would like to arrange a meeting with CNMI Computer Club at which some of the Convention delegates would be present to explain the proposed amendments to the Constitution and to answer any questions that anyone may have.

I have attached a copy of the Constitution as it would be amended if the work of the Convention is ratified by the voters. We also have Chamorro and Carolinian versions. The Post-Convention Committee would be pleased to provide as many copies as you need. Descriptions of each of the amendments have been appearing in local newspapers, and we can provide copies of those inserts as well.

There are important improvements in a number of areas that will be on the ballot. In order that all voters understand the proposed amendments, the Post-Convention Committee is undertaking an education campaign before the election. We think that these changes will improve our government and allow our Constitution to stand for many more decades before further amendments are required.

We look forward to meeting with you and your colleagues. Please call Alicia Guerrero at 235-0843 to schedule a convenient time and for copies of any materials that would be useful in this regard.

Sincerely,

Herman T. Guerrero
