HAND DELIVERED

Attached to this letter are public service announcements covering the period from February 1 through February 16 with respect to the village meetings being held by the Post-Convention Committee as a part of the public education campaign about the proposed constitutional amendments. Each announcement is less than one minute long.

The special election on the amendments is to be held on March 2, and it is very important that people know about the public meetings where they will have an opportunity to hear explanations of the reasons why the delegates voted for the proposed amendments and to ask any questions they may have. We would be very grateful if you could run these public service announcements to let people know the times and places of these meetings.

Thank you very much.

Sincerely,

Herman T. Guerrero
