MESSAGE Tim: Thanks for the invitation. I will be coming over no later than mid-afternoon on Friday. I am still trying to persuade Deanne to come, but she is looking for excuses to stay back here and work! Can I (or we) come looking for you at the Mayor's office and plan to have a drink before the evening session?

Based on input so far, we are under the impression that Amendments 2, 6, 11 and 13 may be the most controversial. But you or others in Rota might want to add to this list. One approach would be to identify which important amendments to discuss at the Friday meeting and which will be reserved for the next Rota meeting. A simpler approach that might achieve the same goal would be to schedule Amendments 1-10 for Friday, Amendments 11-19 for the second meeting, and an open session at the third meeting. If one of these approaches, or any other, is preferred by the Mayor, please let me know.

Thanks for your help.
