Chairman
Post-Convention Committee
Saipan, MP 96950

Dear Mr. Guerrero:

I happen to have gone over the proposed amendments sent out to absentee voters here and found that the Schedule on Transitional and Related Matters for proposed Amendment No. 11 was missing. Could this be a printing error for the proposed amendment accompanying the ballot? Or, could it be that there wasn't any as printed for voter information in the Marianas Variety? Please rectify the matter before the people vote on March 2.

Sincerely,

John S. Pangelinan
