MESSAGE

Jon: We heard last night that Ken is planning to put the two principal critics of the proposed amendments on his show next week. I am trying to reach him on behalf of the Committee to offer him a debate between Woodruff and either Deanne or me, but I am not optimistic.

Can we give you some delegates, probably women, and Deanne for your show the Wednesday before the March 2 election? And/or the week before? There is going to be a lot of misinformation put out in the next two weeks and we need some opportunity to deal with the issues.

Thanks. Let me know.
