Here's the proposed ad for you and Victor. PLEASE NOTE THAT I WAS NOT SURE WHICH OF VICTOR'S PUBLIC POSITIONS HE WOULD LIKE TO USE BENEATH HIS PICTURE. WILL YOU FILL THAT IN?

Thanks.

WE HAVE SERVED IN PUBLIC OFFICE AND WE KNOW THAT REFORM IS IMPORTANT

Jose R. Lifofoi
Former Speaker of the House

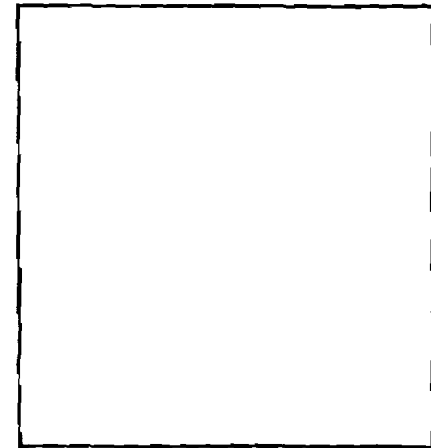

The changes proposed by the Con-Con are practical, and we know they will work.

Please vote "YES" on all ~~10~~¹⁹ amendments.

Reforms to have our government work better are always hard to do. Your elected Con-Con delegates studied these matters carefully.

We need changes to Article 12 to make our land system more stable and to safeguard our Northern Marianas descent ownership.

We need your vote on Saturday. Vote "YES" for the future of your Commonwealth and your children.
