ALICE --

Here's the second ad that Frances requested. I faxed it to her at 234-3450, but I'm not sure that is the right number. Will you check with her and be sure she got it?

# PLEASE VOTE IN THE CON-CON ELECTION

As one of the 27 elected Con-Con delegates, I worked long and hard to make sure the proposals that we offered the voters were practical changes that would make the future of the Commonwealth better for all our people.

I believe that the time has come for changes. We know what the problems are. We need to have the determination to make the necessary changes to meet these problems.

The Con-Con delegates worked together on a non-partisan basis. We studied the options, and we chose the path that we sincerely believe is best for the Commonwealth.

The election on Saturday, March 2 is an important opportunity. I hope every voter will consider each proposal carefully.

FRANCES L.G. BORJA
