Alice --

Here are the next round of ads for Friday requested by Felix and Frances. I faxed them directly to them, but you may want to check and be sure they got them.

Deanne

THE VOTE ON THE CONSTITUTION IS IMPORTANT FOR EVERYONE

Your 27 elected delegates, 19 from Saipan, 4 from Rota, and 4 from Tinian, worked at the Convention until we had agreement on what was best for the Commonwealth. No minority or majority groups existed. We all worked together to come up with 19 recommended amendments.

Some of the amendments are easier to understand than others. But all of them are important.

If you are uncertain how to vote, consider the votes of the 27 elected delegates, who acted at the Convention on a non-partisan basis after having studied these matters carefully. On almost all matters there was agreement among the delegates

27 CONVENTION DELEGATES, FINAL VOTING

AMEND #1 - no negative votes	AMEND #10 - no negative votes
AMEND #2 - no negative votes	AMEND #11 - no negative votes
AMEND #3 - no negative votes	AMEND #12 - only 3 "no" votes
AMEND #4 - no negative votes	AMEND #13 - no negative votes
AMEND #5 - only 1 "no" vote	AMEND #14 - no negative votes
AMEND #6 - only 3 "no" votes	AMEND #15 - no negative votes
AMEND #7 - no negative votes	AMEND #16 - no negative votes
AMEND #8 - no negative votes	AMEND #17 - no negative votes
AMEND #9 - no negative votes	AMEND #18 - only 5 "no" votes

As you can see, all our elected delegates -- including medical doctors, educators, government workers, private business people, former elected officials, and other professional people -- came to a unanimous view on nearly all the proposed amendments.
