Memorandum

Date: 3/30/95

To: Joaquin I. Pangelinan
Special Assistant for Administration

From: Acting Attorney General

Subject: Constitutional Convention

This is in response to the request by the Governor to identify the assistance that we can offer to the Third Constitutional Convention. We can provide the following:

1. Secretary, half-day (with equipment if necessary).
2. One messenger-expediter, half-day with vehicle.
3. One automobile, full time.
4. Three attorneys for committee work each evening and on weekends.

When the Convention begins to operate there will, no doubt, be specific needs identified. We will do our best to respond to those needs as circumstances permit. In addition to the above estimate of resources there will probably be numerous requests undertaken in the normal course of the Attorney General's responsibility and we will do everything possible to discharge our duties.
