**TO** : Special Assistant for Administration      **DATE:** MAR 31 1985  
**FROM** : Director of Personnel  
**SUBJECT** : Support for 3rd Constitutional Convention

In response to your request, I am hereby submitting a list of things which we are happy to share to support the functions for the Third Constitutional Convention.

1. A staff to assist the Convention with its administrative and clerical duties, and;
2. A copier machine to run copies of documents needed for the Convention.

Because of our limited resources, we are unable to give more than requested. Nevertheless, we are more than happy to extend additional assistance should resources become available.

Thank you for asking for our assistance.
