

Third Northern Mariana Islands Constitutional Convention

-249-

Delegate Proposal No. 175

Date: May 15, 1995

It is proposed that a constitutional amendment be prepared that does the following:

Changes the centralized school system to a local school system as follows:

- (1) Creates three separate and independent school districts.
- (2) Provides the three district school superintendents to have full responsibility within the three school districts.
- (3) Provides for a Commonwealth school superintendent, who heads the Commonwealth Department of Education within the Executive Branch and has responsibility for coordination.
