Delegate Proposal No. 239

Date: May 25, 1995

It is proposed that a constitutional amendment be prepared that does the following:

Changes the provisions with respect to the Retirement System as follows:

1. Deletes the additional five year credit.
2. Deletes the 60-day limit on re-employment.
3. Adds a provision protecting the retirement fund under a special trust fund that cannot be affected by authorizations or appropriations by the legislature for any purpose other than the retirement fund.
