

Third Northern Mariana Islands Constitutional Convention

-328-

Delegate Proposal No. 254

Date: May 25, 1995

It is proposed that a constitutional amendment be prepared that does the following:

Deletes the provision in Article X, added by the 1985 Constitutional Convention, that provides for the Department of Finance to regulate the expenditure of public funds. This is legislative in nature and not needed in the constitution.

Submitted by:

Delegate ESTHER S. FLEMING
