

Third Northern Mariana Islands Constitutional Convention

-317-

Delegate Proposal No. 234

Date: June 2, 1995

It is proposed that a constitutional amendment be prepared that does the following:

Deletes the current provisions for a specific salary for the governor and lieutenant governor.

Provides that a commission makes recommendations as to changes to the salaries of the governor and lieutenant governor, which recommendations are sent to the legislature, which may approve or disapprove, but may not change the recommendation.

Provides that no salary can be changed during the term of office.

Submitted by:

A handwritten signature in cursive script, appearing to read "Ernest S. Fleming".

Delegate ERNEST S. FLEMING
