24 May 1946

COMMANDING OFFICER'S ORDER 18-46.

Subject: Fire - Danger of.

1. The present dry season has made road sides, fields, villages and quarters area dangerous fire hazards.
2. Until the rainy season starts all persons are directed to be extremely cautious with fire. The throwing of lighted cigarette butts from vehicles is prohibited. Until further notice there shall be no burning of brush or trash in the farm areas. It is further directed that extreme caution be used all homes and cook houses.
