Rear Admiral W. K. Phillips, USN
Chief of Staff, CINCPACFLT
Fleet Post Office
San Francisco, California

Dear Admiral:

At the request of Admiral Hartman, who is in the hospital, I am enclosing the clippings you requested in your letter of 5 January 1953.

To the best of our knowledge, the President did not make a press release announcing the signing of the executive order that transferred the control of Saipan/Tinian to the Navy.

Admiral Hartman will write upon his return to duty, probably the latter part of next week.

Very respectfully,

J. A. WINFREY
Captain, USN
