Encl: (1) Proposed reply to State Dept

1. Reference (a) forwarded to the Navy Department certain information on Mr. Olympio Borja, who is now studying at the University of Australia under a United Nations fellowship. The information indicated concern on the part of Mr. Borja relative to certain family and business problems in Saipan. By reference (b) CINCPACFLT was asked to take the necessary implementing action in handling the problems set forth in reference (a). References (c) and (d) report on the action taken.

2. Enclosure (1), recommended for your signature, advises the State Department of the action taken and further requests that the information be provided to the United Nations through which the information in reference (a) originated.
