Subj: Scrap Collection; engagement in by Trust Territory citizens  
Ref: (a) CINCPACFLT ltr FFL-1 4610 ser 14/3210 of 26 Aug 1960

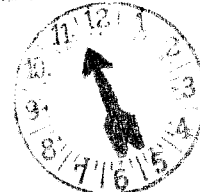

1. Reference (a) authorizes citizen residents of the Trust Territory, Saipan District, to engage in non-ferrous scrap collections on a non-royalty basis subject to the condition that collections not commence before the former Micro Metal scrap is removed from the Saipan District. It also provides that such operations shall be conducted at no expense to the Navy and that any shipments of scrap on Navy bottoms shall be on a revenue basis.

2. Upon removal of the Micro Metal scrap, tentatively scheduled for late September 1960, private scrap collections may commence under the qualifications enumerated above and in reference (a).
