Dear Mr. Secretary:

I read your letter of the
twelfth regarding the civil adminis-
tration in the Islands which are now
being held as military bases with a
great deal of interest. *

It is a little too early to
discuss that subject, but I will be
glad to talk it over with you at a
later date.

Sincerely yours,

HARRY S. TRUMAN

Honorable Harold L. Ickes x6
Secretary of the Interior
Washington, D. C.
