SUBJECT: SUPERGRADE POSITION OF HIGH COMMISSIONER OF TRUST TERRITORY,
GS-18, INTERIOR DEPARTMENT.

When you were talking to Frank Barley and Maurice Etzell the other day, some mention was made of the job cited above, and you indicated interest in more information about it.

We looked into the status of these positions last fall and found that the High Commissioner job was classified in grade GS-18 in January 1951 and was occupied until the latter part of 1954. It is a Presidential appointment job. We checked on it last month and it was still vacant, so that altogether it has been over a year since it was filled. The personnel officials of the department did not know what plans there were for filling it.
