Memorandum

To: Director, Technical Review Staff
Attention: Mr. Robert K. Coote

From: Assistant to the Secretary

Subject: Invitation for Secretary Seaton to visit U. S.
Antarctic Operations Headquarters - New Zealand

Secretary Seaton departed Sunday morning on so tight a schedule for his inspection trip in the Trust Territory that he was unable to take advantage of the invitation to include a stop at Christchurch, New Zealand to visit the U. S. Antarctic Operations Headquarters. However, he directed me to respond that he appreciated the proposal.

It will be further appreciated if you will convey this information to the appropriate persons who originally offered the suggestion.
