Air mail

Dear Charles:

Now that I am back at my desk I want to send this note to say again how very much we enjoyed visiting with you and Mrs. Corn in your home. Your gracious hospitality and the wonderful meal added greatly to the enjoyment of our stay on Guam.

You may be interested to know that we did stop in at the Koo Wah Cafe and we want to thank you for bringing to our attention this choice Chinese eating spot. We visited briefly with Mr. Young following our dinner and during the course of our conversation he mentioned that you and he are cousins.

By now you should have received a copy of the letter I wrote your son last week and in which I enclosed copies of the "application of intent" forms he requested of you. I hope everything works out all right in his behalf.

It is a pleasure to enclose the autographed picture which you requested.

Mrs. Seaton joins me in extending every good wish both to Mrs. Corn and you.

Sincerely,

(sgd) Fred A. Seaton
