Dear Mr. Dobbins:

No doubt Mr. Alyea is on his way to Guam, if he's not already there. Commander C. E. Herrick, USN, Office of the Chief of Naval Operations, The Pentagon, picked up the ball on his clearance and rolled it along, as I told you he would.

Certainly hope all runs smoothly for you since the Christmas season is fast approaching.

My best to you and Mrs. Dobbins,

Sincerely,

(sgd) Leola Tise
