PERSONAL

Dear Hal:

My return visit to the Yap District was most enjoyable, and for Mrs. Seaton it was wonderful to see firsthand the area over which I traveled two years ago.

Words can't express our deep gratitude for your gracious hospitality. You truly made your home, "our home." No one could do more!

I would like you to express to the Yapese my sincere thanks for the Yapese feast and dancing and let them know how much we enjoyed the chants and dances. All of us were overwhelmed, to say the least, with the colorful and impressive performance.

It was good to see the spirit in your area and please extend to your District Staff my appreciation for all they did, individually and collectively, to make our stay in Yap such an enjoyable and informative one.

Mrs. Seaton joins me in extending to you our warm best wishes.

Sincerely,

(sgd) Fred A. Seaton
