Dear Mr. Rudinoh:

My return visit to the Palau District was a most unusual and memorable experience. I was delighted at the opportunity afforded me to meet with the Palau Magistrates and the Tebechelel Oibill. You can be assured that we will do everything we can to encourage and develop the economic growth of your community.

On behalf of Mrs. Seaton and other members of my party, I would like to express to the people of the Koror Municipality and the Oibill ere Keluau our very deep appreciation for the wonderful dinner and the program of Palauan dances performed by the men and women of Ngorchemai and Iebuki hamlets. It was most fascinating. The traditional chants of your people will long be remembered by our party.

With best wishes,

Sincerely,

(sgd) Fred A. Seaton
