PERSONAL

Dear Katie and Del:

There aren't enough words in the English language to express adequately our thanks for your gracious hospitality. Since you both know what a delightful time Laddie had on the trip, I'll just simply say, "thank you very much for a most enjoyable time."

As you may have heard, we were delayed two days in Samoa -- to the delight of Doc Kostal. The plane broke down! And it wasn't planned! It just happened. And the weatherman cooperated by giving us clear weather, so we had a chance to get out fishing. It was really rough, but I don't think anything would have stopped Doc. We were most happy when he caught the first fish. As you can imagine, he pocketed the \$1.00 bet with the greatest of glee.

By the way, Del, I just read a newspaper article where a man was convicted of murder in a case involving a death over 2 cents in a card game. Aren't we lucky all paid up!

Laddie joins me in extending our very warm wishes to both of you.

Sincerely,

(sgd) Fred A. Seaton
