PERSONAL

Dear Roy:

My return visit to Truk was most enjoyable and for Mrs. Seaton it was truly wonderful to see the area I traveled over two years ago.

Words can't express to you my deep gratitude for your gracious hospitality. The evening spent in your home was most pleasant and please accept my personal thanks for all you and Mrs. Callmore did to make out stay in Truk such a memorable one.

I would like you to extend to the Trukese my deep thanks for everything they did for me and my party. We were amazed, to say the least, with the performances we saw during our brief stopover at the United Nations Day field activities.

The fine spirit and cooperation and attitude of the people in your area was gratifying to see. Please let your staff know much we appreciated all they did, individually and collectively, to make us feel at home.

Mrs. Seaton joins me in extending to you and Mrs. Callmore, our best wishes.

Sincerely,

(sgd) Fred A. Seaton
