Dear Dr. Hamlin:

I am deeply grateful to you for joining in the dedication ceremonies of the Pacific Islands Central School.

I couldn't help but note the enthusiasm and energy of the students during the morning program. With that spirit, the future of the Pacific Islands Central School has a firm foundation.

It was truly good to see the tremendous amount of work accomplished in two years.

For the gracious hospitality which you extended to Mrs. Seaton and to me, I am most appreciative.

Sincerely,

(sgd) Fred A. Seaton
