Dear Cabot:

Thanks for your letter of yesterday in connection with Mason Sears. I will take this up with the President as soon as possible after his return to Washington, keeping in mind your suggestion that the release be made from here after July eighteenth.

Apparently the President's trip is going very well indeed thus far, and let's keep our fingers crossed until Japan is behind him. I'll of course advise you when I have something definite on his arrival back here.

With warm personal regards,

Sincerely yours,

Wilton B. Persons

United States Representative to the United Nations
