COMMITTEE ON  
INTERIOR AND INSULAR AFFAIRS

April 6, 1962

Mr. Carl Kaysen  
Deputy Special Assistant to the President  
For National Security Affairs  
374A Executive Office Building  
Washington 25, D. C.

Dear Carl:

Senator Ernest Gruening and I are giving a small luncheon here on Capitol Hill on Thursday, April 12, for an informal discussion of matters affecting Guam. We are inviting Navy Secretary Korth, Interior Secretary Udall, and other officers of the Administration who have responsibility for the island.

Because of the President's interest in and responsibility for Guam, including matters of security, we would appreciate it indeed if you could be present for a discussion of ideas to improve Guam's trade and economy.

Won't you please telephone my Administrative Assistant, Mr. Paul Southwick, on Capitol extension 3934 so that Senator Gruening and I may know whether you'll be with us. The luncheon will be held in room 357, Old Senate Office Building, at 12:30 p. m.

I look forward to seeing you.

Most sincerely,

  
Oren E. Long  
United States Senator
