MEMORANDUM FOR MR. W. W. ROSTOW

SUBJECT: Peace Corps Program in the Trust Territory

Walt --

Here is a strong endorsement from the State Department of the Interior-Peace Corps proposal. I am delighted to see this come in at this particular time because it will nail down another piece of the Executive Branch.

I suggest you may want to show this to Marvin Watson. I have sent copies to the Peace Corps, Bureau of the Budget, Interior and Hayes Redmon.
