RELEASE: 70-66

THREE MICRONESIANS TAKE FIELD TRAINING IN PUBLIC HEALTH NURSING

SAIPAN, MARIANA ISLANDS, TRUST TERRITORY OF THE PACIFIC ISLANDS,
(MAY 6)...Three Micronesian nurses from Saipan, Yap and Ponape have departed
the Trust Territory for Apia, Western Samoa, where they will attend a two-
week field training course in Public Health Nursing.

The participants are: Filipe Atalig, Graduate Nurse, Dr. Torres
Hospital, Saipan; Ramon Hagel, Graduate Nurse, Yap; and Mrs. Delphinia
Neth, Graduate Nurse, Ponape.

The field training includes public health nursing and responsibilities
of immunization programs, home visiting, good housekeeping, sanitation,
utilization of community organizations (women's health committees).
school health nursing, health education, well baby clinics, public
health nutrition.
