RELEASE: 105-67

**EBEYE EPIDEMIC SPREADS TO MAJURO**

Saipan, Mariana Islands, Trust Territory of the Pacific Islands,  
May 17 . . . The District Administrator of the Marshall Islands reported today that the Ebeye epidemic has now spread to Majuro in moderate severity. No critical cases or deaths have been reported. The District Director of Public Health, Dr. John Isaman, has requested medical supplies and a quarantine on all air and surface travel. Dr. Luke Howe, Acting Director of Public Health, has announced that the Marshalls' request for a quarantine is approved, and is now in effect.

Dr. Howe noted that all incoming passengers to Majuro will be subject to quarantine. The sanitary measures involved at Ebeye are to be instituted in Majuro.
