Honorable Manuel F. L. Guerrero
Governor
Territory of Guam
Agana, Guam

The President has personally authorized the Secretary of Housing and Urban Development to make available an additional four million dollars of the FNMA Special Assistance funds for purchase of mortgages on homes in Guam.

This increases the total amount commitments which may be outstanding at one time to \$11.5 million. You are to be congratulated for the excellent presentation you made last month in Washington in behalf of this increase in FNMA funds.
