Washington, D. C.

Dear Mr. President:

As an American citizen and a popularly elected representative of Guam, a part of Micronesia, I have been concerned over the growing feeling on the part of the people of the Trust Territory that they have been somewhat neglected with respect to their economic, social and political development.

Incidents such as the one described in the enclosure can be a subject of embarrassment to us -- the United States.

As of this writing, there is little chance that this manifestation of discontent will spread to Guam, although there will surely be some degree of sympathetic sentiment among Guamanians; and it would be a mistake to take this for granted as an insignificant fact.

I am hopeful that you, Mr. President, and Members of Congress recognize this problem and take immediate necessary action to meet it to the mutual interest of these people and the United States.

Respectfully yours,

Antonio B. Won Pat

Enclosure
