Subject: Acknowledgment of report and letters concerning Governor Bill Daniel's trip to Guam and the Trust Territory

*filed same*

In accordance with your request, I have prepared and attach herewith four proposed letters which I think the President should sign personally. I have attended to the remainder on his behalf.

The gifts mentioned in the proposed letter to Bill Daniel are mementos from three of the Islands ( a personalized ash tray; navigation stick chart; and shark's tooth hand weapon) and will be delivered to the LBJ Archives.

The entire file is returned herewith.
